Dear Dr. Puri,

I am pleased to welcome the **Lipid Association of India** as a new member of the INTERNATIONAL ATHEROSCLEROSIS SOCIETY (IAS), as approved by the IAS Executive Committee. The participation of your society as a constituent member of the IAS is of great significance to us and I do hope we will be able to collaborate to advance research and teaching in the field of atherosclerosis and its related cardiometabolic diseases both in your country and worldwide.

I have enclosed for your information and files a copy of our bylaws, which you may also find on the IAS website at www.athero.org. Please note that your society will also be mentioned on our website. Please provide a listing of your officers and their contact information, a description of your society and listing of your activities to be posted on our web site.

Please send us a complete listing in Excel format of the members of your society with full postal address, phone and fax numbers, and E-mail addresses which will allow your members to receive regularly the IAS e-newsletter and e-literature, as well as other pertinent announcements.
