Advanced Lipidology Certification Course 2024

Welcome to the Advanced Lipid Certification Course, hosted by LAI and accredited by the International Atherosclerosis Society (IAS). This course is designed to provide healthcare professionals with an educational program aimed at enhancing their knowledge and understanding of lipid management, ultimately improving patient care. LAI offers this course annually in conjunction with the LAI International Summit, LAICON. The Advanced Lipid Certification Course spans two days and includes an initial assessment.

This course covers relevant and practical topics related to lipid disorder management, blending presentations with interactive, case-based learning. Sessions will be conducted by lipid experts.

As course organizers, our goal is to ensure you gain the maximum benefit from this program and have an enjoyable learning experience.

ALCC 2024 | Information

Specific Objectives:

The Advanced Lipidology Certification Course, organized annually by LAI since 2015 during the LAICON International conference, aims to provide healthcare professionals with an educational program that enhances their knowledge and understanding of lipid management, ultimately improving patient care. This course is designed to cover relevant and practical topics in lipid management, combining presentations with interactive, case-based learning, and is led by lipid experts.

Benefits of the Advanced Lipidology Certification Course:

- You will join an elite group of healthcare professionals in India capable of treating complex dyslipidemia.
- You will be well-equipped to educate your colleagues on the role of lipids and cardiovascular disease (CVD).
- You will receive a one-year membership in the Lipid Association of India, with the possibility of extension based on your performance and contributions.
- You will be invited to all future academic activities of LAI, with complimentary registration. As a faculty member, your travel and accommodation expenses will be covered by LAI.
- This course is accredited by the International Atherosclerosis Society (IAS).

Criteria for Admission to the Course:

- Must hold an MBBS degree.
- Must be registered for a postgraduate qualification or already possess one.

Register early to avoid disappointment, as seats are limited.

Application forms will be sent upon request through the website <https://www.lipid.net.in/lcc>.

Course Fee: INR 1,00,000

The Course Fee Includes:

- Registrati For APSAVD Congress2022
- Hotel stay for 2 days
- All meals
- All taxes

Scientific Program

ALCC- 2024 | Day 1 | September 06

Time	Topic	Speaker
08:00 am - 09:00 am	Registration	
09:00 am – 09:20 am	Introduction to the course	Sadanand Shetty
09:20 am - 09:50 am	Epidemiology of CVD in India	Rashmi Nanda
09:50 am – 10:20 am	Lipoprotein Metabolism	S K Gupta
10:20 am – 10:50 am	Biochemical Investigations in Hyperlipidemia	Devaki Nair
10:50 am – 11:05 am	Coffee Break	
11:05 am – 11:35 am	Familial hypercholesterolemia	Preeti Gupta
11:35 am - 12:05 pm	Biochemistry and genetics of triglyceride	Sukanya Gangopadhyay
12:05 pm - 12:35 pm	Management of diabetic dyslipidemia	Raman Puri
12:35 pm – 01:15 pm	Rare lipid disorders	Madhur Yadav
01:15 pm – 02:00 pm	Lunch	
02:00 pm – 02:30 pm	Major & High risk ASCVD Risk factors	S S Iyengar
02:30 pm – 03:00 pm	Risk Modifiers for ASCVD	Kunal Mahajan
03:00 pm – 03:30 pm	Apo B and non-HDL cholesterol	S N Narasingan
03:30 pm – 04:00 pm	Lipoprotein (a)	P C Manoria
04:00 pm – 04:30 pm	Lifestyle and Diet in CVD Prevention	Charanjit Singh
04:30 pm – 04:45 pm	Coffee Break	
04:45 pm – 05:15 pm	NAFLD and Dyslipidemia	Vinod Vijan
05:15 pm – 05:45pm	CKD and Lipids	Akshaya Pradhan
05:45pm - 06:00 pm	Coffee Break	
06:00 pm - 07:30 pm	Peer Teaching / workshop (Interactive session) *	Workshop Leads Devaki Nair A K Pancholia Sandeep Upadhyay
07:30 pm Onwards	Cultural Programme & Dinner

Scientific Program

ALCC- 2024 | Day 2 | September 07

Time	Topic	Speaker
08:00 am - 08:30 am	HDL genetics and metabolism	Binita Goswami
08:30 am - 09:00 am	Stroke and Lipids	Rashida Melinkeri
09:00 am - 09:30 am	Imaging in assessment of cardiovascular risk	Manish Bansal
09:30 am – 10:00 am	Newer Lipid Lowering Drugs	H S Rehan
10:00 am – 10:15 am	Break	
10:15 am – 10:45 am	International Guidelines	Arun Nair
10:45 am – 11:30 pm	LAI Recommendations for CVD prevention	Vimal Mehta
11:30 am – 11:45 am	Break	
11:45 pm – 12:45 pm	Live Lipid Clinic (<i>Interactive session</i>) **	Moderator: Devaki Nair Rashida Melinkeri Nithya Abraham Kunal Mahanjan Arun Nair
12:45 pm – 01:00 pm	Break	
01:00 pm – 01:30 pm	Post course Examination	Devaki Nair
01:30 pm Onwards	Lunch	

Interactive sessions: (See times as above in the program)

*Peer Teaching (90 mins) all students will attend all sessions in small groups - All case based

- Statin intolerance
- HIV and lipids
- Connective tissue disorders and lipids

**Live Lipid Clinic

- Simulated patient
- Taking a history
- Results

Academic Research Papers (Time to be announced soon)

- Critical appraisal
- Writing papers

ALCC 2024 | Information

Details of Examination:

The course includes approximately 19 hours of interactive sessions, covering various topics in the field of lipids. For the detailed scientific program, visit our website at www.lipid.net.in/lcc.

Assessment Structure:

- **Interactive Session:** After completing the interactive sessions, there will be an assessment based on your performance, contributing 30% to the total of 100 marks.
- **Online Examination:** On February 20, 2025, there will be an online examination consisting of 50 multiple choice questions to be answered in 50 minutes, contributing 50% to the total of 100 marks.
- **Online Interactive Session with Faculty:** Candidates scoring more than 50% marks (in the above two) will be invited to an interactive session on March 15, 2025, with LCC faculty members. This will contribute 20% to the total of 100 marks. There is no negative marking.

Qualification Requirements:

- To qualify for the LCC exam, candidates must secure at least 70% overall.
- Candidates attending the LAICON: International 2024, which is complementary with the course, will be awarded 5 extra marks. Attendance at all sessions is mandatory to obtain these extra marks.
- Results will be announced on April 15, 2025.
- Candidates scoring a minimum of 70% will be awarded the Advanced Lipidology Certification during LAICON: International 2025.
- Candidates who do not qualify on the first attempt will have another opportunity to reappear for the online examination on May 15, 2025, to improve their scores.
- Those who fail twice can reappear on June 15, 2025. No further attempts will be allowed after this.

Rules to Follow:

- Attendance is mandatory. Lectures will start on time as per the schedule. Missing sessions may result in a harder post-session assessment exam.
- Success is based on performance in the contact program, the initial post-course assessment, and the online final exam.
- The dates mentioned above are final.
- You are free to seek help from the course directors via email at lipidindia2012@gmail.com.
